

About these terms and conditions

These terms and conditions describe how voluntary contributions made to support HCP will be processed, and set out what the HTA and BOA are, and are not, responsible for. We know that contracts and legal terminology can sometimes be difficult to unpick, which is why we're providing this 'plain English' introduction to describe the terms and conditions.

1. HTA and BOA (we) are taking the lead on asking growers (and other businesses) to make voluntary contributions towards HCP Ltd's fixed costs and overheads. That's essential to ensure that HCP can continue its work on behalf of ornamentals growers.
2. We've subcontracted the British Growers Association to run the process of growers signing up to make voluntary contributions, as well as banking and transferring these contributions to HCP Ltd. We'll work with them to ensure businesses making voluntary contributions are invoiced the correct amounts, etc.
3. The voluntary contributions will all be passed on to HCP Ltd, with the exception of a small amount we'll use to pay the British Growers Association for their services in administering payments, banking, etc. Neither HTA nor BOA retain any 'commission' or profit from contributions.
4. Making a contribution is entirely voluntary. It's not a condition of HTA or BOA membership, but nor does making a contribution give any extra membership benefits of HTA or BOA
5. The contribution fees go towards HCP Ltd's fixed costs and overheads. How they are spent is entirely at HCP's discretion. Making a contribution doesn't guarantee or give influence over specific courses of action HCP may or may not take, such as making specific EAMU applications. Any surpluses generated will be used only to support HCP's other work for the ornamentals sector such as progressing EAMU applications.
6. Neither HTA nor BOA will offer refunds of voluntary contributions once made, nor advocate for refunds from HCP.
7. We're working with HCP and growers in the spirit of collaboration and collective benefit for our industry. There's a huge amount of brilliant work for growers that goes on at HCP, and we're glad of the vital support from growers in funding this. We've gone to the trouble of formalising these terms and conditions so that everything's as above-board and clear as possible for such an important area. Please do read the full terms and conditions, but we hope this 'plain English' introduction gives a clear overview of how things work; we're always happy to answer any questions.

2 INTERPRETATION

- 2.1 These terms and conditions apply to all Applicants applying to make contributions to HCP pursuant to the Scheme.

3 BASIS OF CONTRACT

- 3.1 A completed Application Form signed on behalf of the Applicant constitutes an offer by the Applicant for the provision by HTA and BOA of the Services, in connection with the Scheme, in accordance with these Conditions, and in consideration of the Contribution Sum.
- 3.2 The Applicant's offer is accepted by HTA and BOA upon the issue by the British Growers Association of an invoice to the Applicant for the Contribution Sum.
- 3.3 These Conditions apply to the Contract to the exclusion of any other terms that the Applicant seeks to impose or incorporate, or which are implied by law, trade custom, practice or course of dealing.

4 SUPPLY OF SERVICES

- 4.1 HTA and BOA shall supply the Services to the Applicant in connection with the Scheme in accordance with the Application Form, these Conditions and the Scheme Particulars in all material respects.
- 4.2 In the event of any conflict between the Scheme Particulars and these Conditions, these Conditions shall prevail.
- 4.3 HTA and BOA shall use reasonable endeavours to meet any performance dates specified in the Scheme Particulars, but any such dates shall be estimates only and time is not of the essence.
- 4.4 HTA and BOA reserve the right collectively to amend the Services, the Scheme Particulars and these Conditions if necessary to comply with any applicable law or regulatory requirement, or if the amendment will not materially affect the nature or quality of the Services, and HTA, BOA or BGA shall notify the Applicant in any such event.
- 4.5 HTA and BOA warrant to the Applicant that the Services will be provided using reasonable care and skill.

5 APPLICANT'S OBLIGATIONS

- 5.1 The Applicant shall:
- 5.1.1 ensure that the information it provides in the Application Form is complete and accurate;

6 CONTRIBUTIONS, ONWARD PAYMENTS TO HCP, GENERAL

- 6.1 HTA and BOA shall subcontract the British Growers Association to transfer each Contribution Sum received to HCP in accordance with the Scheme Particulars. HTA and BOA shall deduct from Contribution Sums only an amount which covers the costs of subcontracting the administration of the Scheme to the British Growers Association. Any surpluses raised shall be used by BOA and HTA only to fund work undertaken by HCP on crop protection for the ornamentals sector, specifically EAMU applications.
- 6.2 HTA and BOA do not undertake nor guarantee to process Contribution Sums to HCP which are received later than 31 March 2026. Contribution Sums relate to HCP's financial year running from 1 April 2025 to 31 March 2026.
- 6.3 If Contribution Sums have not been received by 31 March 2026 HTA will, through the British Growers Association, issue a credit note for the invoiced sum.
- 6.4 If Contribution Sums are received after 31 March 2026, HTA and/or BOA will either, through the British Growers Association, refund the Contribution Sum back to the Applicant or transfer it to HCP as a contribution to HCP's fixed costs and overheads for its next financial year, at HTA and BOA's complete discretion.
- 6.5 The Applicant is entitled to revoke or cancel its Application Form at any time up until it has paid a corresponding Contribution Sum. Application Forms are non-cancellable from the time of receipt by the British Growers Association of the corresponding Contribution Sum.
- 6.6 HTA and BOA may collectively amend details of the Scheme Particulars at will and without notice upon publication at: <https://hta.org.uk/hcp/scheme-particulars> , except that any amendment to the Original Purpose shall be subject to approval with and agreement of the Applicant.

7 APPLICANT ACKNOWLEDGEMENTS

- 7.1 The Applicant acknowledges and accepts that Contribution Sums:
 - 7.1.1 are entirely voluntary and in no way a condition of HTA or BOA membership, assistance or any other benefit;
 - 7.1.2 are not in consideration of any favourable terms or benefits beyond those already provided by HTA membership, and/or any contracts or agreements with HTA or BOA whatsoever;
